resents democracy. "But, unfortunately," he bald man is again happy. says, "too many voters have changed their party affiliation and, instead of having the courage of publican banner, they have changed their reg- car in the garage. istration, not because they have lost faith in Republican principles, but because they have lost faith in the people directing the destiny of the V campaign because the letter also stands quiet since then. Japanese have other politicians who look to the industry, threatening to paralyze have been some price rises, but in committee. Here it had labored the party

flection on the part of party members all over the state. The News believes the fault of leadership lies not altoether in its incapacity or its inefficiency as it is in the failure of the leaders to get together in harmony and work out a united and aggressive course of action. The real trouble as the News sees it is not so much in street corner, I'll stop and listen. . . And half hope they start swinging on each other.

Brazil Less Troublesome Brazil, while very Gen an alert, inspiriting, cohsive directing force, and the existence of the apathy and indifference that so unfortunately prevail

There is plenty of good leadership in the party, and if it should only function as it should, which means that it should be united and harmonious, with thoughts of party welfare uppermost and private considerations pushed to the side, the organization could get somewhere Heavens knows Democratic management in both state and nation is sufficiently vulnerable t give it a big impetus. Republicans are just stupid not to take advantage of the opportunity that backons them.

Russian Resistance Is Better than Expected

FROM DAY TO DAY Nazi news dispatch writers rely more and more on the shortness of man's memory. At several points Russian resistance is developing sixty-odd miles back of where the Germans had advanced more than a week ago against "slight resistance"; the Russtans are bringing up reserves, of which the Nazis said ten days ago there were no more; there is heavy fighting at Smolensk, which the Nazis said last week was far behind them; and

The opinion in authoritative London quarters that the Nazi drive against the Soviet Union being one tirely, is doubtless based as much upon these trange German reports as it is upon word from British observers in Russia. There are several

inhibitions against taking an optimistic view of

First, there is the dread of wishful thinking which has got Hitler's foes into trouble on other occasions; second, there is a lingering belief, amounting almost to a conviction, that Russian production was a joke; third, there is a realizaand fourth, Stalin was an enigma for so long that it is not easy to estimate the degree of his determination to see this fight through to the

On the basis of six weeks of the struggle, however, with the Nazis achieving no important Latin-American countries, Uncle objective, it appears that Russia's military Sam's blacklist of pro-Axis trading strength consists of more than unwieldly man power. It is probable that although Russian industry has been hampered in its development by a lack of skill in organization and by strict political control, much more military equipment was produced than was generally realized.

It may turn out, indeed, that Stalin was the only head of a European state who started to get ready about the time Hitler started his

A More Sensible Army Examination Plan

MUCH of the resentment over apparent inefficiency in handling drafted men after they are certified by the local boards for service will be abated if the new physical examination policy works as planned. Heretofore men have been from Sumner Welles, undersecretary sent to reception centers after being passed by of state, because, having spent sevlocal physicians, who volunteer their services, eral diplomatic years in Latin due in no way to the fault of draft board physi- conditions there.

tion center, their impression is that they are in the army, and they prepare accordingly. If they are rejected, their affairs are confused and rainty over them.

The new plan is to conduct the army ex- discount such representations, as amination at least thirty days prior to the date obvious propaganda he is deferred by his local board and spared the home for a lengthy and indefinite period.

Opening Day Betting Mark Falls at Fairgo

8.000 Turn Out; D. Scocca Rides **Three Winners**

P. H. Faulconer's Roman Boy Takes F. Brooke Whiting Purse

> Attendance and wagering records took a beating yesterday when the Cumberland Fair Association's annual ten-day race meeting was ushered in at Fairgo.

Approximately 8,000 turfites turned out for the maugural program and wagered a total of \$93 .-425, \$23,043 over last year's record opening-day total of \$69,482. The take was \$62,851 in 1939 and only \$49,430 in 1938.

Roman Boy, owned by P. H. Faulconer and ridden by A. F. Marand Hagerstown this year, won the F. Brooke Whiting purse, which hared top billing with the Monarch purse, won by Welsh Lad with D. Scocca astride.

Roman Boy was off well at the start and held the lead all the way, outrunning the favorite, High justled from the break, finished cond with Butterman third.

D. Scocca, little Italian rider who ails from Washington, D. C., cap- dr ared the spotlight and got a big ers, one second and two thirds.

No Steeplechase Run

Scocca had mounts in six of the ight races and on each occasion, ne finished in the money. He rode ooth ends of the daily double-Vale Dove in the first and Gradatim in w he second and copped the Monarch the third; Butterman, third in

urned \$46.60, \$11.90 and \$4.90. No steeplechase was run due to a lack of entries, but it will be a daily eature the remainder of the meet dust on the racing strip.

Miss Ann Whiting, daughter of F. Brooke Whiting, presented a Wattrophy to Trainer C. H. Fitzgerald Co. and congratulated Jockey Martinez Two dollar mutuels paid-Marandan, \$9.50; Hezdrel, \$5.20. for his winning ride aboard Roman feature of the afternoon.

Roman Boy defeated a crack field head. onsisting of Dashing Doe, Butterman High Hedge, the favorite and others. Dashing Doe was second and Butterman third with the fa-

vored High Hedge fourth. Roman Boy returned \$8.10, \$4.00,

and Butterman \$4.90. Time for the five furlong sprint was 55.1 seconds. Scocca Wins Again

Jockey D. Scocca continued his sensational winning pace in the fifth—the Monarch purse—sending Lady Buck betting, home in front ahead of Ivv X and Streamer.

Welsh Lad broke from the bar-Streamer broke on top and was passed by Ivy X on the first turn.

Nutmeg Lass second but Stockton. ably handled by Hamer, went to the of Tar Miss. Scocca just missed ste bringing in his fourth winner of the Tar Miss day on Tar Miss.

Stockton, 6-1 in the closing odds, repaid its backers with \$15.40, \$7.10

Chief Teddy was third and paid

though pressed after the first quarter by Lithograph, with W. Weber Chalotaur astride. Prison Ship was third. The Kamari time for the five-furlong dash was Art Cooper

chainwick in the second. With D. Scorca again riding the winner, Ivory Tip far back in early the chainwish of the lotaur, hard hustled to \$5.60. The daily double of Vale Dove men and Gradatim paid \$73.20.

set the early pace but faded to show behind Chainwick. Chainwick EIGHTH RACE Purse \$500; for Start good from gate. Won driving returned \$7.30 and \$4.90 and Micro- Start god Argo-Geo play \$3.20. The time for the six and one-half furlong race was 1.23.2.

Maradan Takes Third
